

Schools, now
is the time to
get cash back!

WATT**SMART**

Reduce Your Operating Costs.

Now is the perfect time for schools to take advantage of Rocky Mountain Power's Wattsmart Business incentives. Make your facility more energy efficient, improve students' comfort and save money with:

- Lighting upgrades and tune-ups.
- Advanced rooftop controls that improve indoor air quality and comfort while saving heating and cooling costs.
- Engine block heater controls for buses and fleet vehicles.
- Food service equipment and smart office accessories.
